

Title: Airline Policy Test Document (Effective Date: 2025-10-10)

Policy Identifier: TEST-2025-FLT

This document is created for testing purposes using Selenium and Apache PDFBox. It contains readable English text, formatted tables, and multiple sections across two pages.

Section 1: Booking and Refund Policy

All bookings can be canceled within 24 hours of purchase for a full refund. After this period, refunds are only available under exceptional circumstances. A non-refundable administrative fee of \$150.00 per passenger applies for all modifications made after booking confirmation.

Section 2: Cancellation Fees

Timeframe	Fee (USD)	Fee (%)
7+ Days Out	\$50	10%
1–6 Days Out	\$100	20%
Same Day	\$200	50%

Section 3: Baggage Policy

Each passenger may carry one cabin bag up to 7 kg and one checked bag up to 23 kg. Overweight baggage is subject to additional fees based on the rates listed below.

Bag Type	Weight Range	Fee (USD)
Standard	0–23 kg	\$0
Overweight	24–32 kg	\$75
Excess	33–45 kg	\$150

Page 2: Additional Notes

This page is intentionally included to test multi-page extraction and validation. The contents are designed to be easily readable and structured in plain English for automated testing. Please note that none of the data presented in this document represent actual airline policies. The structure is meant to assist in verifying PDF parsing, table extraction, and keyword validation using Selenium and Apache PDFBox.
